ITBMS is Panama's 7% VAT and applies to base rent plus maintenance. The waste collection fee is exempt, as it is privately contracted. The *Monthly total* column is what gets billed.

Second-floor configurations: 21, 22 and 23 separately; 21 + 22 (177 m²); 21 + 22 + 23 (277 m² of continuous space). The base rent for a combination is quoted on closing.
